

Anshuman Mishra

Application Developer Senior Analyst

Mob: +91-832-890-5512 | **Email:** anshuman.web@gmail.com

Profile

I'm a senior full-stack developer having more than 6.5 years of experience in developing rich and responsive web applications. Primarily being a front end developer, i possess knowledge on UI architecture and have expertise on performance optimization and developing complex UI structures.

I have better understanding of UX and the challenges involved from converting the UX to a fully functional progressive and accelerated UI.

I have developed backend using node js, express, PHP & MySQL. I'm a certified Oracle Professional (OCP) on MySQL 5.0 database.
